during the execution of work, failing which the amount will be deducted from their bills for payment to the injured or the legal heirs of the deceased.

13 The work should not be sublet to others.

14 Quantities given in the notification and schedule are approximate and are liable for alteration. No extra rate will be allowed for such alterations.

15 Tenders submitted on percentage basis will be rejected.

16 All stones required for the above work should be obtained from T. G. Hally Quarries of Gangappanahalli and Shanbhognahalli.

17 For all disputes in regard to this work either in respect of rate, quantities, design or execution process, etc., the decision of the Chief Engineer of Mysore, Bangalore, shall be legal and finally binding.

18 The contractor should bind himself for the good behaviour of his agents.

19 Plan and specification are subject to change and no extra claims will be admitted on this account.

20 Income-tax clearance certificate granted by the Income-tax Department will have to accompany the tender.

21 All waste material and debris should be cleared immediately from the work spot at contractors cost and stocked at least 100 feet away from the outer edge and the work spot kept clean for further collection of material at contractor's cost.

22 Monthly minimum progress of Rs. 30,000 will have to be guaranteed by each contractor. This amount of Rs. 30,000 is only the minimum and the actual quantity of the work done should be substantially more than Rs,30,000 amount so that the entire construction of the new fitter house is completed within one year from the date of acceptance of the tender.

23 Failure to fulfil the above condition would entail levy of penalty of Rs. 100 per day from the date of default. If the total of such fine exceeds Rs. 1,000 the contract will be cancelled and work executed by other agency, the extra expenditure to the Department on this account being recovered from the defaulting contractor. The earnest money will also be forfeited.

24 If any defective work is executed not approved by the Department, contract will be terminated immediately and the cost of rectification of the same will be recovered from the contractor.

25 Defective material collected by the contractor, pointed out by the Departmental officials should be cleared at least 200 feet away from the work spot. Otherwise the same will be cleared by the Department and cost of doing so will be recovered from the contractor's bills.
